SUBJECT: PRE-FORMED TEAM REGISTRATION FORMS

---

The following steps are to be followed when registering 8 players for the same team in the above program:

1. Coach must complete the attached team approval form (back) and return it with each player's registration form and payment. Please make sure all forms are filled out, front and back, completely and accurately. If additional players request to be on your team, but were not included in the original team approval form, they may be added to your team upon availability. Listing a player, without the registration form completed and signed, does not guarantee they will be on your team and a spot will **NOT** be held. Only one extra player may be added to a team.
2. Players must be in the same age and grade bracket. Advanced players are allowed to play up one year.
3. Our goal is for all players to play equally, learn new skills and to have fun. This is a recreational league.
4. Register as soon as possible. **Registration deadline is December 16, 2009 or when leagues fill.**
5. Thank you for your honesty and support!
